ASSESSMENT COLLECTION POLICY

Prompt payment of Assessments by all owners is critical to the financial health of the Association and to the enhancement of the property values of our homes. Your Board of Directors takes very seriously its obligation under the Declaration of Covenants, Conditions and Restrictions (CC&R's) and the California Civil Code to enforce the members' obligation to pay assessments. The policies and practices outlined shall remain in effect until such time as they may be changed, modified, or amended by a duly adopted resolution of the Board of Directors. Therefore, pursuant to the CC&R's and Civil Code Section 5730 the following are the Association's practices and policies:

1. Assessments, late charges, interest and collection costs, including any attorney's fees, are the personal obligation of the owner of the property at the time of the assessment or other sums that are levied.
2. Regular monthly assessments are due and payable on the first day of each month. A courtesy billing statement is sent each month to the billing address on record with the Association. **However, it is the owner of the record's responsibility to pay each assessment in full each month regardless of whether a statement is received.** All other assessments, including special assessments, are due and payable on the date specified by the Board on the Notice of Assessment, which date will not be less than thirty (30) days after the date of the notice of the special assessment.
3. Any payments made shall be first applied to assessments owed, and only after the assessments owed are paid in full, shall such payments be applied to late charges, interest, and collection expenses, including attorney's fees, unless the owner and the Association enter into an agreement providing for payments to be applied in a different manner.
4. Assessments not received within twenty (20) days of the stated due date are delinquent and shall be subject to a late charge of \$10.00 or 10% which ever is greater, for each delinquent assessment per unit.
5. An interest charge at the rate of 12% per annum will be assessed against any outstanding balance, including delinquent assessments, late charges and cost of collection, which may include attorneys' fees. Such interest charges shall accrue thirty (30) days after the assessment becomes due and shall continue to be assessed each month until the account is brought current.
6. If a special assessment is payable in installments and an installment payment of that special assessment is delinquent for more than thirty (30) days, all installments will be accelerated and the entire unpaid balance of the special assessment shall become immediately due and payable. The remaining balance shall be subject to a late charge and interest as provided above.
7. A first notice of past due assessment ("late letter") will be prepared and mailed once an assessment becomes delinquent.
8. If an assessment is not received within twenty (20) days after the assessment becomes delinquent, the Association or its designee, in the event the account is turned over to a collection agent, will send a pre-lien letter to the owner by certified and first class mail, to the owner's mailing address of record advising of the delinquent status of the account and impending collection action. The owner will be charged a fee for the pre-lien letter.
9. If an owner fails to pay the amounts set forth in the pre-lien letter within thirty (30) days of the date of that letter, the Association will authorize Association Lien Services to record a lien for the amount of any delinquent assessments, late charges, interest and/or costs of collection, including attorneys' fees, against the owner's property. The owner will be charged for the fees and costs of preparing and recording the lien. Thirty (30) days following recordation of the lien, the lien may be enforced in any manner permitted by law, including, without limitation, judicial or non-judicial foreclosure.
10. An owner is entitled to inspect the Association's accounting books and records to verify the amounts owed pursuant to Corporations Code Section 8333.
11. In the event it is determined that the owner has paid the assessments on time, the owner will not be liable to pay the charges, interests, and costs of collection associated with collection of those assessments.
12. Any owner who is unable to pay assessments will be entitled to make a written request for a payment plan to be considered by the Board of Directors. An owner may also request to meet with the Board in executive session to discuss a payment plan. The Board will consider payment plan requests on a case-by-case basis and is under no obligation and is under no obligation to grant payment plan requests.
13. Nothing herein limits or otherwise affects the Association's right to proceed in any lawful manner to collect any delinquent sums owed to the Association.
14. Prior to the release of any lien, or dismissal of any legal action, all assessments, late charges, interest, and costs of collection, including attorneys' fees, must be paid in full to the Association.
15. All charges listed herein are subject to change upon thirty (30) days prior written notice.

POLICIES**

NOTICE ASSESSMENTS AND FORECLOSURE

This notice outlines some of the rights and responsibilities of owners of property in common interest developments and the associations that manage them. Please refer to the sections of the Civil Code indicated for further information. A portion of the information in this notice applies only to liens recorded on or after January 1, 2003. You may wish to consult a lawyer if you dispute an assessment.

ASSESSMENTS AND FORECLOSURE

Assessments become delinquent 15 days after they are due, unless the governing documents provide for a longer time. The failure to pay association assessments may result in the loss of an owner's property through foreclosure. Foreclosure may occur either as a result of a court action, known as judicial foreclosure, or without court action, often referred to as nonjudicial foreclosure. For liens recorded on and after January 1, 2006, an association may not use judicial or nonjudicial foreclosure to enforce that lien if the amount of the delinquent assessments or dues, exclusive of any accelerated assessments, late charges, fees, attorney's fees, interest, and costs of collection, is less than one thousand eight hundred dollars (\$1,800). For delinquent assessments or dues in excess of one thousand eight hundred dollars (\$1,800) or more than 12 months delinquent, an association may use judicial or nonjudicial foreclosure subject to the conditions set forth in Article 3 (commencing with Section 5700) of Chapter 8 of Part 5 of Division 4 of the Civil Code. When using judicial or nonjudicial foreclosure, the association records a lien on the owner's property. The owner's property may be sold to satisfy the lien if the amounts secured by the lien are not paid. (Sections 5700 through 5720 of the Civil Code, inclusive)

In a judicial or nonjudicial foreclosure, the association may recover assessments, reasonable costs of collection, reasonable attorney's fees, late charges, and interest. The association may not use nonjudicial foreclosure to collect fines or penalties, except for costs to repair common area damaged by a member or a member's guests, if the governing documents provide for this. (Section 5725 of the Civil Code)

The association must comply with the requirements of Article 2 (commencing with Section 5650) of Chapter 8 of Part 5 of Division 4 of the Civil Code when collecting delinquent assessments. If the association fails to follow these requirements, it may not record a lien on the owner's property until it has satisfied those requirements. Any additional costs that result from satisfying the requirements are the responsibility of the association. (Section 5675 of the Civil Code)

At least 30 days prior to recording a lien on an owner's separate interest, the association must provide the owner of record with certain documents by certified mail, including a description of its collection and lien enforcement procedures and the method of calculating the amount. It must also provide an itemized statement of the charges owed by the owner. An owner has a right to review the association's records to verify the debt. (Section 5660 of the Civil Code)

If a lien is recorded against an owner's property in error, the person who recorded the lien is required to record a lien release within 21 days, and to provide an owner certain documents in this regard. (Section 5685 of the Civil Code)

The collection practices of the association may be governed by state and federal laws regarding fair debt collection. Penalties can be imposed for debt collection practices that violate these laws.

PAYMENTS

When an owner makes a payment, the owner may request a receipt, and the association is required to provide it. On the receipt, the association must indicate the date of payment and the person who received it. The association must inform owners of a mailing address for overnight payments. (Section 5655 of the Civil Code)

An owner may, but is not obligated to, pay under protest any disputed charge or sum levied by the association, including, but not limited to, an assessment, fine, penalty, late fee, collection cost, or monetary penalty imposed as a disciplinary measure, and by so doing, specifically reserve the right to contest the disputed charge or sum in court or otherwise.

An owner may dispute an assessment debt by submitting a written request for dispute resolution to the association as set forth in Article 2 (commencing with Section 5900) of Chapter 10 of Part 5 of Division 4 of the Civil Code. In addition, an association may not initiate a foreclosure without participating in alternative dispute resolution with a neutral third party as set forth in Article 3 (commencing with Section 5925) of Chapter 10 of Part 5 of Division 4 of the Civil Code, if so requested by the owner. Binding arbitration shall not be available if the association intends to initiate a judicial foreclosure.

An owner is not liable for charges, interest, and costs of collection, if it is established that the assessment was paid properly on time. (Section 5685 of the Civil Code)

MEETINGS AND PAYMENT PLANS

An owner of a separate interest that is not a time-share interest may request the association to consider a payment plan to satisfy a delinquent assessment. The association must inform owners of the standards for payment plans, if any exists. (Section 5665 of the Civil Code)

The board must meet with an owner who makes a proper written request for a meeting to discuss a payment plan when the owner has received a notice of a delinquent assessment. These payment plans must conform with the payment plan standards of the association, if they exist. (Section 5665 of the Civil Code)

MAJOR OFFENSE: Fines and legal action to be taken by the Association as deemed appropriate by the Board of Directors

**IMPORTANT HOMEOWNER NOTICE SUMMARY OF
INTERNAL DISPUTE RESOLUTION PROCESS
AND
ALTERNATIVE DISPUTE RESOLUTION PROCEDURES
ASSOCIATION'S INTERNAL DISPUTE RESOLUTION PROCESS**

INTERNAL DISPUTE RESOLUTION

In accordance with Civil Code Section 5900 et seq., the Association has adopted the following internal dispute resolution process to be followed by the Association and owners in connection with disputes relating to the enforcement of the Association's governing documents, the Davis-Stirling Common Interest Development Act (Civil Code Section 4000 et seq.) and Section 7110 et seq. of the Nonprofit Mutual Benefit Corporation Code (collectively, the "Disputes").

Either party to a Dispute may invoke the following procedure:

- (1) The party may request the other party to meet and confer in an effort to resolve the dispute. The request shall be in writing.
- (2) An owner may refuse a request to meet and confer. The Association may not refuse a request to meet and confer.
- (3) The Association's board of directors shall designate a member of the board to meet and confer.
- (4) The parties shall meet promptly at a mutually convenient time and place, explain their positions to each other, and confer in good faith in an effort to resolve the dispute.
- (5) A resolution of the dispute agreed to by the parties shall be memorialized in writing and signed by the parties, including the Board designee on behalf of the Association.
- (6) The agreement reached binds the parties and is judicially enforceable if both of the following conditions are satisfied: (a) The agreement is not in conflict with law or the governing documents of the common interest development or association; and (b) The agreement is either consistent with the authority granted by the board of directors to its designee or the agreement is ratified by the board of directors.

Please note that a member of the Association may not be charged a fee to participate in the process.

ALTERNATIVE DISPUTE RESOLUTION ("ADR")

Civil Code Section 5925 et seq. requires that the Association and owners endeavor to submit certain types of disputes to ADR prior to initiating a lawsuit. This notice merely provides a summary of the statute. If there is a dispute which may require ADR pursuant to Civil Code Section 5925 et seq., please review all of the provisions of the statute or seek your own independent legal counsel.

Parties Bound By The Statute. The parties required to comply with the statute are the Association (through the board of directors) and any owners of record.

Disputes Subject To The Statute (Qualifying Disputes). Civil Code Section 5939 provides that the Association or owners may not file an enforcement action in the Superior Court unless the parties have endeavored to submit their dispute to ADR. An "enforcement action" is defined as a civil action or other proceeding for any of the following purposes: (1) enforcement of the Davis-Stirling Common Interest Development Act (Civil Code Section 4000 et seq.); (2) enforcement of the California Nonprofit Mutual Benefit Corporation law, commencing with Corporations Code Section 7110 or (3) enforcement of the Association's governing documents. Where, however, an owner has a private dispute with another owner or a tenant, or the Board has a dispute with a third party such as a landscaper, such a dispute is not within the confines of the statute.

Disputes Specifically Excluded From The Statute. The ADR statute applies only to an enforcement action that is solely for declaratory, injunctive or writ relief, or for that relief in conjunction with a claim for monetary damages not in excess of the jurisdictional limits of Small Claims Court. The following types of disputes are specifically excluded from being required to resort to ADR: (1) a Small Claims action; (2) assessment collection, except as otherwise provided by law; (3) claims by the Association for money damages in excess of the jurisdictional limits of Small Claims Court in conjunction with a claim for declaratory, injunctive or writ relief; (4) claims by an owner for money damages in excess of the jurisdictional limits of Small Claims Court in conjunction with a claim for declaratory, injunctive or writ relief; (5) actions for preliminary or temporary injunctive relief; and (6) the filing of a cross-complaint in response to a complaint already filed.

Compliance Procedures.

A. INITIATING PARTY. The party pursuing the dispute, prior to filing any lawsuit, must serve on the other party a "Request for Resolution" including the following information and language: (1) a brief description of the dispute; (2) a request that the matter be submitted to ADR; (3) a notice that the party receiving the Request for Resolution (the "Responding Party") is required to respond thereto within 30 days of receipt or it will be deemed rejected; (4) if the party on whom the Request is served is an owner, a copy of Civil Code Section 5925 et seq.

B. SERVICE. A Request for Resolution may be served by personal delivery, first-class mail, express mail, facsimile transmission or other means reasonably calculated to provide the Responding Party actual notice of the Request.

C. RESPONDING PARTY'S OBLIGATION. Upon receipt of a Request for Resolution the Responding Party, whether the Association or an owner, has 30 days in which to either accept or reject the Request. In the event no such response is received, the Request is deemed "rejected."

D. TIME FOR COMPLETION OF ADR. Where the Request is accepted, the parties must complete the ADR within 90 days of receipt of the acceptance. However, the parties can stipulate in writing to extend this period.

E. COST OF ADR. The cost of ADR shall be borne by the parties.

F. TOLLING OF STATUTE OF LIMITATIONS. If a Request for Resolution is served before the end of the applicable statute of limitations, the time limitation is tolled for certain periods specified in Civil Code Section 5945.

G. CERTIFICATE. In the event that a lawsuit is eventually commenced, the party filing must file with the initial pleading a certificate stating that one or more of the conditions is satisfied: (1) alternative dispute resolution has been completed in compliance with Section 5925 et seq.; (2) one of the parties to the dispute did not accept the terms offered for alternative dispute resolution; or, (3) preliminary or injunctive relief is necessary.

Consequences For Failure To Comply With The ADR Law. The failure to file the aforementioned certificate with the Court is grounds for a demurrer or motion to strike unless the Court finds that dismissal of the action for failure to comply would result in substantial prejudice to one of the parties. Additionally, in awarding attorneys' fees and costs, a court may consider whether a party's refusal to participate in ADR before commencement of the enforcement action was reasonable. As a result, it is important to seek independent counsel in the event that you, as an owner have further questions.

Failure of a member of the association to comply with the alternative dispute resolution requirements of Civil Code 5925 et seq. may result in the loss of your right to sue the association or another member of the association regarding enforcement of the governing documents or the applicable law.
